

What we need from you is easy.

1. **A name for your stall,**
2. **A current copy of your Public Liability Insurance (Certificate of Currency) to \$20 million.**
3. **What the product is you are selling**
4. **If food, you need all applicable Council permits etc**

Note: if too many regular competitors are similar to yours, we give preference to them.

The markets run every month (weather and natural disasters aside) on the third Sunday of that month. There are up to 200 stall holder sites, some have been coming for 20 years. Lots of casual and new stalls every month. Usually between 140 and 180 attendees.

We get a great attendance, and the stall holders do very well. Easters, school holidays and Christmas time are outrageously busy.

There has been a rate rise (the first in 4 years) as of July 1 2024;

| | | |
|---------------------------------|---|----------|
| Single half-sized site | = | \$ 30.00 |
| Single non-powered 3m x 3m site | = | \$ 55.00 |
| *Single powered 3 x 3m site | = | \$ 65.00 |
| One and a half-sized site | = | \$ 70.00 |
| Double-sized site | = | \$ 90.00 |
| Triple-sized site | = | \$130.00 |

*Powered (food) sites are in high demand, are limited.

There are various options of location, depending on uptake, noting permanents are usually fixed. Permanent sites are limited. Long term Casuals can gain permanency if one becomes available at the discretion of the Market Coordinators. Your site allocation is at the discretion of the Coordinators and all efforts are made to accommodate repeat locations (if possible) and special requirements.

There are limited sites with the ability to have the vehicle behind the stall, but can be arranged, especially when it comes to plants and heavy goods.

Payment is by bank transfer prior to market or cash on the day.
